SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office form PTO-1449.

Applicant requests the Examiner note commonly owned, copending U.S. Patent Application Serial No. 11/061,369 titled "Method and Apparatus for Intermittent Hypoxic Training," filed February 18, 2005.

Pursuant to the Waiver of the Copy Requirement in 37 C.F.R. 1.98 for Cited Pending U.S. Patent Applications signed on September 21, 2004 and published on www.uspto.gov on September 24, 2004, copies of pending U.S. applications that are available in the Image File Wrapper system are not submitted, but will be provided on request.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to deposit account no. 07-1969.

Respectfully submitted,

Gary B. Chapman
